How Do You Do It?

Maybe you didn't even know you could take public transportation from Port Townsend to the airport. You can! It's inexpensive, easy, almost as fast as driving your car, and no parking hassles! From the Haines Place Park & Ride in Port Townsend take Jefferson Transit's #7 bus to Poulsbo. At the end of the line, transfer to Kitsap Transit's #90 Express bus to the Bainbridge ferry terminal. Then walk on the ferry – it's free when you make the eastbound crossing. Once in downtown Seattle, take Sound Transit's Link Light Rail from the downtown Transit Tunnel's Pioneer Square Station to the airport.

If you travel lightly, it is easy to walk to the Pioneer Square Station transit tunnel. The least hilly walk is right on Alaskan Way and left on Yesler, as indicated on the map. The entrance to the tunnel is just past 2nd Ave, next to Smith Tower. The #16 or #66 bus will also take you to the transit tunnel. The #16 runs every 20 minutes and the #66 runs every 30 minutes. Both buses can be boarded on Alaskan Way just outside the ferry terminal. *Please note, time points in this schedule are listed for Westlake Station, as Sound Transit does not publish a time point for Pioneer Square Station. The two stations are about four minutes apart.*

Enter the bus tunnel at 2nd Ave. and Yesler Way. Light rail trains depart every 7—15 minutes depending on the day and time of day. Catch the train on the platform level.

SeaTac/Airport Light Rail Station is located at International Boulevard and S. 16 St in SeaTac. There is a pedestrian walkway that leads from the light rail station along the side of the airport garage to the sky bridges and passenger terminal.
